Bonspiel Rules

This Bonspiel shall be governed by the “Rules of Curling for General Play” from current edition of the official “Curling Rule Book” published by the Canadian Curling Association. Specifically, the Four Rock, Free Guard Zone Rule applies.

Rules Pertaining Specifically to This Bonspiel

1. If a competing rink is not ready to commence play at the time named for the beginning of the match, one end must be counted as played for every ten minutes delay, and the opposing rink, if ready to play, shall score one point for each ten minute period they have been kept waiting. The team that has been kept waiting will have last rock on the first end played. At the end of one half hour the game will be forfeited.
2. All games including the finals will be eight ends. To keep the draws on time, a buzzer will be used to notify teams to complete the end they are playing plus one more. Tied games will be decided by playing “Skip Rocks”, except for the semi-final and final games, which will be decided by extra end(s). The “Skip Rocks” end shall be played in the following manner: the team who tied the game will play first. One rock with normal sweeping will be allowed, but there is to be no sweeping by the opposition behind the Tee Line. The skip’s rock finishing in the house and closest to the button will be declared the winner. If neither rock finishes in the house the skips will repeat the end until a winner is decided.
3. Teams to consist of any combination of male and female “Oil Patch” personnel and may if desired consist of one (1) non “Oil Patch” member (male or female) who must play lead or second, if desired this individual may call the game, that is skip, and play lead or second in the delivery rotation. Any team found to have a designated “Oil Patch” member that is not connected to the oil

Bonspiel Rules

industry under the website listed “Entry Eligibility Requirements” specified on the “Entry Registration Form” will be disqualified at any stage in the Bonspiel with forfeiture of the entry fee.

The Bonspiel Committee reserves the right to rule on all eligibility matters.

4. A full rink of four eligible players must be registered. If a member through sickness or other unforeseen circumstances is unable to begin a game, then three members of the team may play. No rink shall play with less than three eligible players. In the case of a three player team, the first two players will deliver three stones each.
5. Substitute Player(s) who have not played for another team in the Bonspiel may join a rink without registering the change with the Drawmaster. Substitute Player(s) who join a rink permanently must register the change with the Drawmaster. Substitute(s) must not play in any capacity other than lead or second. The original player(s) may rejoin the team at any time and may assume his regular position(s). A maximum of two substitutes is allowed.
6. A team may declare a new rotation of play at the beginning of any game. Substitute Player(s) must remain at either lead or second.
7. All team disputes must be resolved by the teams involved.
8. Upon the submission of a Bonspiel entry, including any subsequent amendments thereof, all players listed on the entry and in this Program, understand that they are agreeing that all information tendered or photos obtained as part of any Bonspiel event, may be used for any internal purposes of this Alberta Oilmen’s Bonspiel Association.
