

CURLING BONSPIEL

Calgary, Alberta
March 24th - 26th, 2023

MESSAGE FROM THE PREMIER OF ALBERTA

On behalf of the Government of Alberta, it is my pleasure to welcome everyone to the 70th Alberta Oilmen's Bonspiel.

Curling is a great winter activity that brings friends and neighbours together, and it's a big deal here in oil country. Our love affair with the roaring game began even before Alberta became a province—at much the same time as the first oil was being recorded here.

The Alberta Oilmen's Bonspiel is a great way to celebrate that longstanding prairie passion and the hard-working people who have made our resource sector such a success. After a couple of tough years, it was exciting to see the bonspiel go forward in 2022. I hope everyone enjoys this opportunity to gather once again for a weekend of fierce (but friendly) competition.

Thank you to the Alberta Oilmen's Bonspiel Association, Calgary Curling Club staff, volunteers and sponsors who have pitched in to continue this seven-decade tradition. Congratulations as you mark this milestone anniversary, and best wishes for many more years to come.

Have fun, and good luck to all the teams!

Danielle Smith

President's Message

Welcome everyone to the 70th annual Alberta Oilmen's Association Bonspiel. 70 years it took 72 years to get here but here we are all the same, better late than never.

It is with great pleasure that I welcome you on behalf of the board of directors to this year's event. It is going to be another great year, the general format for the bonspiel is the same except that we will celebrate the 70th with a sit down dinner on Saturday night. We have had a tremendous response from the curlers and sponsors, and I can't wait to see everyone down at the curling rink. This event couldn't happen without the combined efforts of all parties that contribute to it. So, THANK YOU, to all the sponsors, donors, bidders, curlers, spectators, family members, event staff, and directors for making this such a premier event. I would argue that this is the best oilmen's bonspiel in the province. After all we are the Alberta Oilmen's Bonspiel.

GOOD LUCK, GOOD CURLING, GOOD TIMES BY ALL.

Aaron Westgard

Bonspiel Rules

This Bonspiel shall be governed by the “Rules of Curling for General Play” from current edition of the official “Curling Rule Book” published by Curling Canada. Specifically, the Five Rock, Free Guard Zone Rule applies.

Rules Pertaining Specifically to This Bonspiel

1. If a competing team is not ready to commence play at the time named for the beginning of the game, one end must be counted as played for every ten minutes delay, and the opposing team, if ready to play, shall score one point for each ten minute period they have been kept waiting. The team that has been kept waiting will have last rock on the first end played. At the end of one half hour the game will be forfeited.
2. All games including the finals will be eight ends. To keep the draws on time, a 100 minute buzzer will be used to notify teams to complete the end they are playing plus one more. Tied games will be decided by playing “Skip Rocks”, except for the semi-final and final games, which will be decided by extra end(s). The semi-final and final games will NOT be buzzed. The “Skip Rocks” end shall be played in the following manner: the team who tied the game will play first. One rock with normal sweeping will be allowed, but there is to be no sweeping by the opposition behind the Tee Line. The skip’s rock finishing in the house and closest to the button will be declared the winner. If neither rock finishes in the house the skips will repeat the end until a winner is decided.
3. Teams to consist of any combination of male and female “Oil Patch” personnel and may if desired consist of one (1) non “Oil Patch” member (male or female) who must play lead or second, if desired this individual may call the game, that is skip, and play lead or second in the delivery rotation. Any team found to have a

Bonspiel Rules

designated “Oil Patch” member that is not connected to the oil industry under the website listed “Entry Eligibility Requirements” specified on the “Entry Registration Form” will be disqualified at any stage in the Bonspiel with forfeiture of the entry fee.

The Bonspiel Committee reserves the right to rule on all eligibility matters.

4. A full team of four eligible players must be registered. If a member through sickness or other unforeseen circumstances is unable to begin a game, then three members of the team may play. No team shall play with less than three eligible players. In the case of a three player team, the first two players will deliver three stones each.
5. Substitute Player(s) who have not played for another team in the Bonspiel may join a team without registering the change with the Drawmaster. Substitute Player(s) who join a team permanently must register the change with the Drawmaster. Substitute(s) must not play in any capacity other than lead or second. The original player(s) may rejoin the team at any time and may assume their regular position(s). A maximum of two substitutes is allowed.
6. A team may declare a new rotation of play at the beginning of any game. Substitute Player(s) must remain at either lead or second.
7. All team disputes must be resolved by the teams involved.
8. Upon the submission of a Bonspiel entry, including any subsequent amendments thereof, all players listed on the entry and in this Program, understand that they are agreeing that all information tendered or photos obtained as part of any Bonspiel event, may be used for any internal purposes of this Alberta Oilmen’s Bonspiel Association.

The Alberta Oilmen's Bonspiel Historical Update

From Diamond White 60th in 2011 to Platinum 70th in 2023

There has been quite a change in the bonspiel these past 13 years, teams have dropped from 80 teams and 10 events 2009, to 48 teams and 8 events in 2017, and to 32 teams and 4 events in 2022. In 1986 the bonspiel peaked with 16 main events with 390 teams and 3 senior events with 33 teams, for a total of 1692 players!

With declining donations 2009 saw the board adopt a balanced budget. Prize money decreased from \$18640 plus a prize to \$6600 and a prize. Recently the prizes have increased to \$8800 and a prize.

In 2017 the Oilmen's Committee saw its first female Director Maria Dube' joined the board and a second female Tamsyn Mclean joined in 2021. Director Steve Mackey also joined in 2017 and with his skills we saw the elimination of cards and the drawmaster, cellphone/emails to confirm winning and losing was instituted. This was also the year that the gaming commission of Alberta banded the 50/50 draw!

In 2018 Maria Dube' Championed a very successful Silent Auction to help cover the costs of the bonspiel. With around 40 items donated, the auction revenue has been in the order of \$6000 per year.

In 2020 and 2021 the Bonspiel was cancelled because of Provincial Covid Restrictions. During 2019 and 2020 the Oilmen's sponsored Rock and Rings program in Jennie Elliott and Captain John Palliser schools so students could enjoy the game of curling. In 2023 a former Director of the Oilmen's Rick Rathier challenged the Oilmen's to make a \$1000 donation to Curling Alberta "Ready to Rock" program which he would match! This was done!

In 2022 with team enrolment down and Covid concerns the Saturday Night Curling Caper was cancelled and all activities were held at the Calgary Curling Club.

By the way, the first 8 ender in the Oilmen's was scored in 1979 30th Annual Bonspiel by Skip Ken Moore, third John Klotchko, second Jerry Karpinka and lead Dave Hutchinson.

Alberta Oilmen's Bonspiel – What the Future Holds

It is no secret that the oil and gas industry and the sport of curling have changed dramatically over the last few decades. The days of lavish spending accounts and unlimited access to the company credit card are all but gone. The time of hundreds of teams entering a bonspiel and playing for 10 days straight have also disappeared. So there lies the challenge, how to keep this great event alive when we are getting slammed from two sides. The oil and gas industry is shrinking and has placed massive restrictions on expenditures. The sport of curling is facing declining participant numbers with less young people taking up the game. These combined factors have resulted in a continually lower number of teams entering the bonspiel and the continued rise in average age of the curlers that do enter.

The solution to these issues is not to try and recreate the glory days of the past but to look to the next generation of curlers. What do we need to do so that they not only want to play in the bonspiel but they also think it is worth recruiting their friends and colleagues to play as well. So, for the last several years the bonspiel has been slowly evolving. The economics were changed, entry fees have been reduced, prize money has been increased, complimentary food and beverages are provided. The bonspiel duration was changed, the bonspiel length was shortened so that no time off from work is required, the bonspiel is in one location so no running around the city. The social side of the bonspiel has been improved, the draw times have been spaced out with plenty of social time in between, families are encouraged to come out and support their teams, and when the curling is done for the day the evening entertainment starts up and the adults get a chance to relax and have fun. As a result of these changes, we are starting to see the bonspiel evolve. We have new, younger players starting to trickle in and if we stay the course hopefully they will bring their friends and colleagues with them for the years to come.

For true evolution, to hand the bonspiel over to the next generation of curlers, we need to be the BEST bonspiel out there not the biggest. The first steps in that journey to the next generation bonspiel have already been taken, I look forward to seeing where we go from here.
